About Orange Tree Toys...

Orange Tree Toys is a family run business, established in 2000 by sisters, Anuja Wilson and Lamani Simons, who are passionate about recreating the traditional toys that they remember from their childhood. The company has grown steadily over the years, and now has an established, hard working and creative team. With a wide variety of products, Orange Tree Toys design and manufacture both bespoke and own brand products, as well as having the license for classic childhood favourites; Peter Rabbit™, The Snowman™ & the Snowdog, Paddington Bear™, and Disney.

All the products are designed here in the UK, at our headquarters in the Cotswold countryside. Creative Director, Anuja Wilson, is always on the lookout for exciting new ideas for the next toy. The designs are fun, brightly coloured, and always keep children and their development in mind. Absolute safety is our priority; all our toys comply with EN71 European Testing Standards and are all CE marked. We ensure that our production partners are committed to providing responsible working conditions.
